Development and Peace: a movement of solidarity

Established in 1967, Development and Peace — Caritas Canada is the official international solidarity organization of the Catholic Church in Canada.

We partner with organizations in the Global South that promote alternatives to unjust social, political and economic structures and support women in their quest for equality and justice.

With the help of our 11,000+ volunteer members, we inform Canadians about the root causes of impoverishment and mobilize them to act for change. Our Lenten campaign, *People and Planet*

First, offers you the opportunity to help protect vulnerable communities and ecosystems from corporate abuse.

FIRST SUNDAY OF LENT

Following his baptism, Jesus "returned from the Jordan and was led by the Spirit in the wilderness, where for forty days he was tempted by the devil". The story of Jesus' temptations in the desert affirms his full humanity. After his baptism, but before he began his ministry, he was tempted just as we are. But in the end, Jesus prevailed. The challenge for us, when tempted to sin, is to respond as Jesus did, not succumbing to temptations, but relying upon God's grace and allowing this grace to support and sustain us. It is the living story of our faith, our baptismal commitment, which we reaffirm in this Lenten season.
