

**August 5 - Memorial of the Dedication of the Basilica of Saint Mary Major:**

This basilica, built in the 4<sup>th</sup> century under Pope Liberius, was first called the Liberian Basilica. However, after the Council of Ephesus (431) proclaimed Mary the Mother of God, the Church was repaired and reconsecrated about the year 435 as the Basilica of the Virgin Mary. It is called Saint Mary Major (Great Saint Mary's) because it is older and larger than other Roman Churches also dedicated to Our Lady.

Thanks to the generosity and support of many people in the diocese we have welcomed our third family who are seeking refugee status in Canada. The newest family is a family of four who will be living in Clarendville. The two girls are of school age and will be enrolling in the school here in Clarendville in September. The family is presently doing the things that most of us take for granted: opening bank accounts, arranging Internet service, finding an apartment and furnishings, in short, getting the things that will make their lives here more secure than the life they had to leave in Yemen. Thank you once again for your prayers and support.

**The Diocesan Statement of Account for St. Ignatius Parish**

A number of parishioners have been inquiring about the recent payment of \$23,399.70 to the Diocese. These amounts are made up of the following: Parish Assessment: \$8,409.00, Bishop O'Neill Fund: \$196.00, Priest's Pension Plan and Insurance Premiums for 2019: \$4,692.00 and Full-time Lay Employee Pension and Health Premiums for 2019 : \$10,102.70. The total amount of **\$23,399.70** due to the Diocese was paid in a lump sum cheque in May.

The lay employee premium of \$10,102.70 was based on one full-time employee for 12 months. As of May 11, the parish has only a part-time employee and, consequently, no employee premiums are due from that date to December 31. The Diocese has now refunded \$5,893.20 back to the parish to cover this overpayment. In effect, this means that our Statement of Account amount paid to the Diocese for 2019 was **\$17,506.50** and not \$23,399.70.

**EIGHTEENTH SUNDAY IN ORDINARY TIME**

In today's Gospel, Jesus exhorts us about the danger of relying solely on material goods, especially to the point of allowing such 'wealth' to control our existence, resulting in greed and possessiveness. Such stored up treasures will not last. Instead, Jesus invites us to reflect on the true riches of human life. He reminds us that such wealth lies in being rich in matters pertaining to God. This week, let us take time to examine our lives to see where our treasure lies – in material goods that will not last or in God who fills us with wealth of the "riches kind", a wealth that will last forever.
