A holiday replacement: During the early summer, I will be taking two weeks holidays. Once again this year, my two brothers and I, and three other friends will be flying in to Northernman's Waters for a week of trout and canoeing and happiness in the great Newfoundland outdoors. As I will be away for the first two weekends of July, Father Bill Pearce will come to our parish to celebrate the weekend liturgies. I ask you to welcome Father Bill as graciously as you have welcomed me. Thank You.

Baptisms in Conne River: I understand that there are a number of babies in Conne River to be baptized. During the coming days and weeks, I will do my best to help the young couples to prepare for this sacred event in their children's spiritual life. If at all possible, I will go to Conne River and meet with the couples, showing them a video and arranging a time for their baby's Baptism. Patience, Please.

A Welcome to our Bishop: This Sunday, June 19th, is a very special moment in the lives of some of the young people in Conne River. They will receive the Sacrament of Confirmation, the Sacrament of the Holy Spirit. For this special event, we welcome joyfully our Chief Shepherd, Bishop Anthony Daniels. Our Bishop will administer Confirmation to our young people, and we pray only that they will be filled with the Holy Spirit. As part of the young candidates' preparation, they have collected a very large amount of food for the Food Bank in Grand Falls. I wish to thank the young people over and over, and I pray that they will be filled with joy and the gift of the Holy Spirit.

The Closing of St. Catherine's Renewal Center: It is with great sadness that we were informed of the closing of Saint Catherine's Renewal Center. This center has become a sanctuary of immense blessings over the past years. It has been a gathering place for Priests and Pastoral Workers for many years. I have made many retreats there, time of quiet reflection and prayer. I have performed private weddings in the beautiful chapel. Numerous groups of various religions gathered at the Renewal Center for their programs, and they were welcomed by the sisters and by the Staff as if they were welcoming Christ. Over the years, many families from St. Alban's stayed at the center as their little ones sang and performed at the Kiwanis Music Festival. Through the years, Marriage Encounter had many weekend gatherings there. In fact, the priests from the West Coast of Newfoundland called the Renewal Center their 'Holy Ground'. These are some of the events that were held at the Renewal Center, but now the building starts down a different road. The Renewal Center will now become a Palliative Care Home, where families may gather and stay with loved ones who are dying or close to death. The Renewal Center will now be called the Doctor Lionel Kelland Center, in memory of a well known physician who died of cancer in 2010. We thank God for all the blessings that came through the life of the Renewal Center. We thank the Presentation Sisters who gave such wonderful service over the years, and who generously donated this huge building as a palliative care home. And we implore God's richest blessing on this new and most valuable venture for the years to come.
