For clarification, there is no advantage to being in a higher tax bracket.

The Federal savings is 15% on the first \$200 and 29% on any additional contributions.

The Provincial savings is 8.7% on the first \$200 and 18.3% on any additional contributions.

Therefore, if you make donations around \$200 in a year, it is better to save them until the following year, if you do not need the short term cash. That way, additional money will be at the higher rate - 47.3% (federal and provincial together).

SIXTH SUNDAY IN ORDINARY TIME

In today's Gospel Jesus contrasts the blessings of the Beatitudes that lead to a happy life with the woes that can lead to an empty life. As Jesus outlines the way to true happiness, we are led to realize that true and lasting happiness will only be found in those things that meet our deepest needs as human beings. Ultimately, only the things of God will fill the deepest desires of the human heart. As Jesus points the way to happiness for those who are his followers, we learn how we can fill the depths of our innermost being. By following the example of Jesus and all that he stood for as he lived his life on this earth, we too will find true happiness in this present life and eternal happiness in the life to come.

FEBRUARY 22 - FEAST OF THE CHAIR OF SAINT PETER, APOSTLE: *On this day, early Roman Christians celebrated a feast in honour of their departed loved ones, including their founding Apostles, Peter and Paul. In the fourth century, when the feast of these two saints was moved to June 29, the emphasis of this day shifted to celebrating Peter and his successors as Bishops of Rome, and expressing gratitude for their service. The feast brings to mind "the special mission of Peter and his Successors to tend Christ's flock, keeping it united in faith and in charity" (Pope Benedict XVI, Angelus, February 19, 2012), continuing in an unbroken line down to our present Holy Father, Pope Francis.*
